A SPECIAL OFFER FOR YOU

With your help, from May till early autumn, Hereford Business Improvement District (HBID) will install hundreds of gorgeous and colourful flowers that will dazzle your customers and make their visit one to remember.

Using hanging baskets and planter boxes in and around your business, we will create streets full of vibrant colours as our flowers blossom over the season, bringing a sense of pride and joy to our wonderful city.

Overleaf, you will see various options to take part, including our fantastic 'all-inclusive' one FREE basket per business offer, available to you as an HBID member, which includes maintenance and watering.

HOW TO TAKE PART

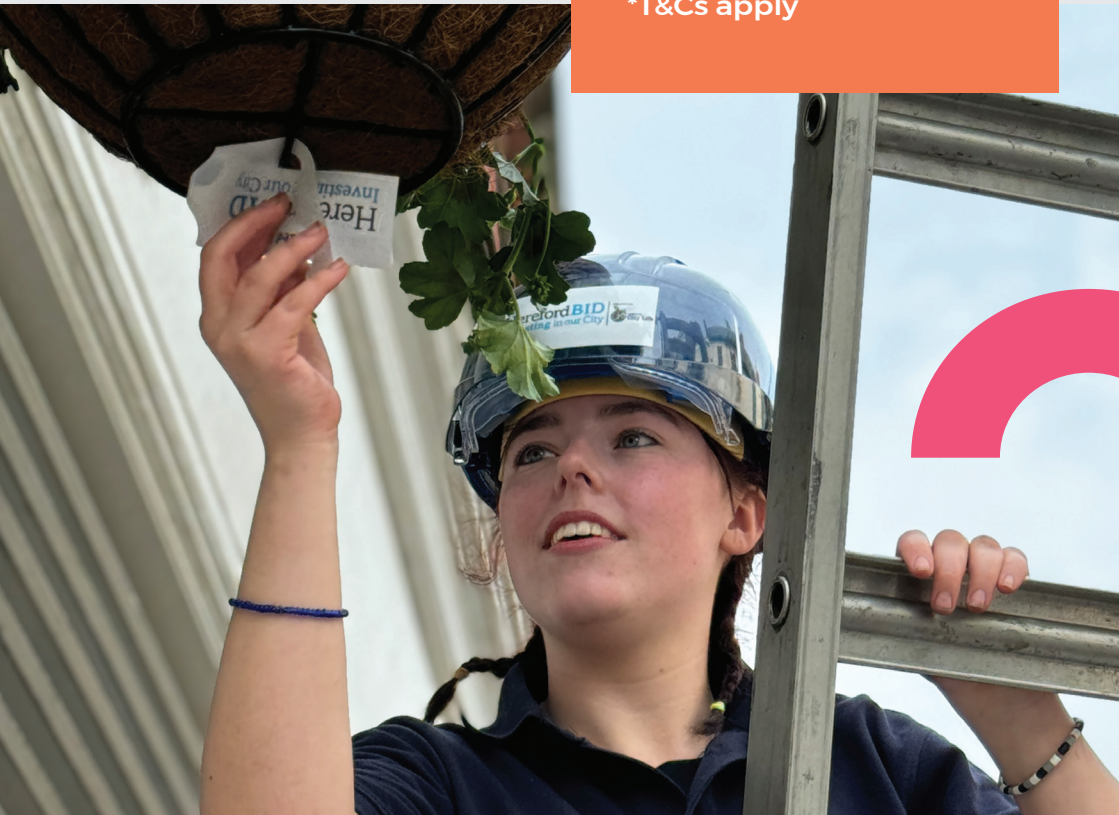

Complete the form overleaf, making sure you specify how many baskets you require. If you need brackets (free), please confirm those when emailing back. You must make full payment in advance of delivery, and this can be done either by BACS or cheque.

Our all-inclusive package includes installation, 25 weeks of maintenance, watering (up to five times per week) and disposal at the end of the season.

Similarly, you can order baskets on a 'supply only' basis, and we will be more than happy to drop those off at your premises*
